Guiding VGWL Forward

the people behind Vineyard Golf at White Lake are committed to creating a welcoming experience for everyone.

PATRICIA, Owner

A Hammonton, New Jersey native, Patricia has been an important part of Vineyard Golf at White Lake since her family purchased the course in 2016. While she spends most of her time in New Jersey, she works behind the scenes daily to help keep operations running smoothly and ensure everyone stays connected.

Patricia visits North Carolina regularly and enjoys spending time in the clubhouse greeting golfers and catching up with members and guests. She is also a proud grandmother to Kayla, Liam, and Elyse. When she is not working, Patricia enjoys walking the course, helping beautify the clubhouse grounds, and appreciating life's simple pleasures.

BILLY, Owner + General Manager

Originally from Hammonton, New Jersey, Billy relocated to North Carolina in 2010 and brings a strong background in agriculture and business management. In 2016, Billy and his parents, Bill and Patricia, purchased Vineyard Golf at White Lake and led the effort to revive the course after it had ceased operations.

Today, Billy serves as General Manager, focusing on enhancing the golfer experience and continuing to grow Vineyard Golf as a premier destination in southeastern North Carolina. His vision centers on creating a welcoming atmosphere while driving growth, innovation, and long-term success for the course.

When he's not at the golf course, Billy enjoys playing golf, traveling, and exploring the property with his chocolate lab, River.

ALYSSA

Alyssa recently graduated with degrees in Business Administration and Accounting and has become a key member of the Vineyard Golf at White Lake team.

What began as an accounts payable role has evolved into a broader support for many of the day-to-day operations of the course.

She helps manage payroll, bookkeeping, and a variety of administrative responsibilities while working closely with Billy and Patricia.

Alyssa enjoys meeting golfers, members, and guests and helping keep things running smoothly behind the scenes.
