Vineyard Golf at WHITE LAKE

a letter to our Vineyard Golf at White Lake family

First and foremost, the Augustine family and the staff of Vineyard Golf at White Lake would like to sincerely thank you for your continued support of one of Eastern North Carolina's hidden gems.

Since purchasing the course in 2016, we have had the privilege of welcoming golfers from our local community, across the country, and even Canada. Whether you've supported us in person or through online reviews and recommendations, we are truly grateful.

As we move into the second half of 2026, we'd like to share several updates that have been carefully planned over the past several months. We believe in being transparent with our members and guests, and we want everyone to understand not only what is changing, but why.

These decisions are being made to help us continue investing in the course, improve the experience for our members and guests, and ensure the long-term success of Vineyard Golf at White Lake.

Overseeding

This fall, we will overseed the tees and fairways on all 18 holes for the first time since purchasing the course.

The project will begin in early September and will require approximately two weeks of cart path and rough-only traffic while the ryegrass establishes itself.

This investment will provide significantly improved playing conditions throughout the winter months.

Credit Card Service Fee

Beginning August 1, 2026, a service fee will apply to all credit card transactions. Debit card purchases will not be affected.

Outside Beverages and Coolers

With the addition of our Mixed Beverage and Wine License, we have updated our policies to comply with North Carolina Alcohol Law regulations.

Vineyard Golf at WHITE LAKE

a letter to our Vineyard Golf at White Lake family

Effective immediately:

- **No outside beverages, coolers, thermoses, or similar containers are permitted, except water.**
- **Alcohol sales begin at 10:00 AM Monday through Saturday and 12:00 PM on Sundays.**
- **Customers may purchase up to two beers or one mixed beverage per transaction.**
- **Open alcoholic beverages may not leave the property. Unopened beverages purchased from VGWL may be taken off-site.**

These policies are required by the State of North Carolina and help ensure the safety of our guests and compliance with state law.

Fivesomes

Fivesomes will require approval from upper management.

Whenever possible, please provide at least 24 hours' notice so we can better accommodate your group while maintaining an efficient tee sheet.
